

Jewish Women's Fund of Atlanta (JWFA) promotes social change and expands positive opportunities for Jewish women and girls. JWFA's ACT program builds the capacity of women in Atlanta's Jewish community to become *agents of change*, developing their skills through exclusive, interactive seminars led by accomplished leaders, activists, and influencers, and providing networking and mentoring opportunities designed to foster a sense of growth personally, professionally and communally.

The pilot class of ACT will launch in fall 2019 and run through spring 2020. Two-hour sessions will be conducted in various locations around Atlanta and will cover a variety of topics, including female leadership in the #metoo era and the power of collective activism. Participants will also be invited to various JWFA programs, meetings, and social gatherings.

This program is open to all women in the Jewish community, ages 25+ who support JWFA's mission to empower women and girls through social change and wish to develop skills to impact their community, share expertise and inspiration, and be part of a network of like-minded women. No previous involvement or leadership experience is necessary.
