

# Pop-Up Giving Circle Gathering Guide

Tired of Zoom? If you prefer to gather face-to-face with your friends or family to participate in the Pop-Up Giving Circle, it's no problem! Here is how to make it happen:

Step 1: Invite a group to join you for a night of fun and philanthropy! Each voting participant should register for the Pop-Up Giving Circle at [jwfatlanta.org/iwd](http://jwfatlanta.org/iwd), or you can register for them. Just be sure we have each person's email address so they can receive the ballot.

Step 2: Gather your crew around a computer at 7 pm on March 8 and watch the presentations from the final applicants on Zoom.

Step 3: During the discussions, instead of going into a Zoom breakout room, your group will discuss face-to-face with each other.

Step 4: When it is time to vote, everyone who registered and paid will receive a ballot via email.
